

A YEAR MADE POSSIBLE BY YOU

Every grant, project, scholarship, and community investment begins with someone who believes our community can be stronger.

This year, Rotarians, donors, businesses, and community partners stepped forward with generosity and purpose. Together, we invested in organizations and projects that improve lives today while helping build a stronger community for tomorrow.

THANK YOU
for making this work possible

THE NEXT CHAPTER STARTS WITH US

The needs of our community will continue to change. What will not change is Rotary's commitment to service.

Your generosity gives the Gig Harbor Rotary Foundation the ability to respond to today's needs, invest in tomorrow's opportunities, and pursue ideas that can create lasting impact.

**GIVE. SERVE.
LEAVE A LEGACY.**

Together, we can continue building a community where everyone has the opportunity to thrive.

IMPACT IN ACTION

More than grants. Lasting change.

Our goal isn't simply to give money away. It is to invest where generosity can create meaningful, lasting change.

Community in Partnership

The Annual Gig Harbor Veterans Day Celebration, held at the Gig Harbor

Vintage Aero Museum, is our state's largest indoor gathering of its kind, a collaboration hosted by the Gig Harbor Kiwanis Club involving more than ten community partners, with underwriting support from the Rotary Club of Gig Harbor.

A Life Changed

In partnership with the Global Foundation For Children With Hearing Loss, this international

project directly benefits deaf and hard-of-hearing children in Kenya by expanding access to early identification, hearing technology, and local professional expertise, to empowering them to develop listening and speaking skills and reach their full potential.
